Topic: The Fashion Figure (Croquis) and Assignments

Lecturer: Mr. Simon Tobiko

"9-11 HEADS" RULE; SAMPLES

Fashion Illustration Assignment: Gendered Figures & Medium Exploration

Objective:

Develop a professional fashion plate featuring eight figures (four female, four male) that demonstrates mastery of the **9-head rule**, creative color application, and high-level presentation.

Technical Requirements:

- **Proportions:** All eight figures must strictly follow the **9-head rule** to achieve the elongated, stylized fashion silhouette.
- **Composition:** Arrange **four female sketches** and **four male sketches** on a single **A4 page**. Ensure the layout is balanced and avoids overcrowding.
- **Medium:** Use **ink** or graphite for line work and **watercolors or colored pencils** for rendering.

Assessment Criteria:

1. **Anatomical Accuracy:** Proper execution of the 9-head vertical scale and joint placement.
2. **Creative Rendering:** Skillful use of media to create smooth lines, light, and movement.
3. **Neatness & Craft:** Clean ink lines, no smudging, and a professional overall finish.

Note: Each assignment will be graded out of 10 marks as part of the Continuous Assessment Test (C.A.T.).
